

Chapter Research Advancement Award

PURPOSE

The Chapter Research Advancement Award recognizes chapters that foster the goals of STTI through significant research-related activities.

CRITERIA

The STTI chapter:

- Has an established Research Committee responsible for activities relating to knowledge development, dissemination and utilization.
 - Chapter bylaws
 - Annual report of Research Committee
- Is committed to developing research-based knowledge through assistance to researchers.
 - Total amount of funds committed to research grants
 - Percent of revenue committed to research grants
 - Research productivity traceable to chapter-funded grants (e.g., subsequent external funding, referred publications and presentations)
 - Global research collaborations and support
- Demonstrates significant support of research dissemination and research conferences.
 - Funds designated for utilization projects
 - Conferences address research utilization (e.g., basis for clinical practice and health care policy)
 - Funds designated for dissemination activities (e.g., facilitate conference participation)
- Recognizes research excellence publicly.
 - Established recognition awards

SUBMISSION REQUIREMENTS

A complete nomination consists of:

- Online entry form and payment
- Supporting narrative that addresses criteria (1-2 pages)
- Documentation supporting fulfillment of criteria, including, but not limited to, the examples listed above. (Documentation may take a number of forms such as letters, reports, publications, brochures or websites.)
- Letter of acceptance
