

International Nurse Researcher Hall of Fame Submission Requirements

The following are the document *requirements* for the International Nurse Researcher Hall of Fame. The online system will not allow the user to advance through the system until the required documents listed below each award are uploaded in **Step #4: Upload Supporting Materials**. Other supporting materials may be uploaded in addition to the ones listed below.

Nurse Researcher Hall of Fame

- Supporting narrative that clearly states overall area of expertise/impact (1-2 pages)
- Three (3) letters of support from diverse sources
- Nominee's curriculum vitae, plus a listing of 10 publications most relevant to supporting criteria, including nursing and non-nursing peer reviewed publications
- Letter of Acceptance - Statement from the nominee agreeing to attend research congress if selected
- Supporting documentation that provides evidence of nominee's contribution as outlined in criteria (not to exceed 10 pages). Use criteria to frame five subheadings.
