

International Nurse Researcher Hall of Fame Submission Requirements

The following are the document *requirements* for the International Nurse Researcher Hall of Fame. The online system will not allow the user to advance through the system until the required documents listed below each award are uploaded in **Step #4: Upload Supporting Materials**. Other supporting materials may be uploaded in addition to the ones listed below.

Nurse Researcher Hall of Fame

Supporting documents required below must address the criteria. A complete online nomination consists of:

- Supporting narrative that clearly states overall area of expertise/impact (1-2 pages). Use the five criteria as subheadings.
- Three (3) letters of support from diverse sources
- Nominee's curriculum vitae, plus a listing of 10 publications most relevant to supporting criteria, including nursing and non-nursing peer reviewed publications
- Letter of Acceptance - Statement from the nominee agreeing to attend research congress if selected
